21st-century
education
must prepare
students not just
to solve today's
problems, but to
face challenges
we cannot yet
imagine."

Welcome to the Godavari Public School

Located at a prime location in Nashik, Godavari Public School is a premier educational institution dedicated to nurturing the next generation of leaders, thinkers, and innovators. Our school is recognised for its commitment to academic excellence, holistic development, and a progressive approach to education. As an aspiring CBSE-affiliated school, we offer a learning environment that blends modern educational practices with a strong value-based foundation, ensuring that students are well-prepared for the challenges of the future.

OUR VALUES

At Godavari, Nashik, we believe that a strong value system is the cornerstone of a well-rounded education. Our core values are woven into the fabric of our school culture and guide us in shaping the character and conduct of our students:

- We nurture a sense of honesty, transparency, and ethical behavior in our students. **Integrity** is the foundation upon which we build trust and credibility.
- We teach our students to **respect** themselves, their peers, and their environment.
- We encourage our students to be **empathetic** individuals who understand and appreciate the perspectives and experiences of others.
- We believe in developing a sense of **responsibility** in our students, empowering them to make informed choices and to be accountable for their actions.

OUR CULTURE

- **Collaboration and Inclusivity**

We believe that diverse perspectives foster innovation, and every voice is valued. You should expect a workplace where your ideas are heard and actively encouraged.

- **Continuous Learning and Growth**

We embrace a culture of continuous learning. Your professional growth is a priority, and we provide resources, mentorship, training and opportunities for skill development.

- **Open Communication and Transparency**

Communication is at the heart of our culture. We believe in transparency and open dialogue at all levels.

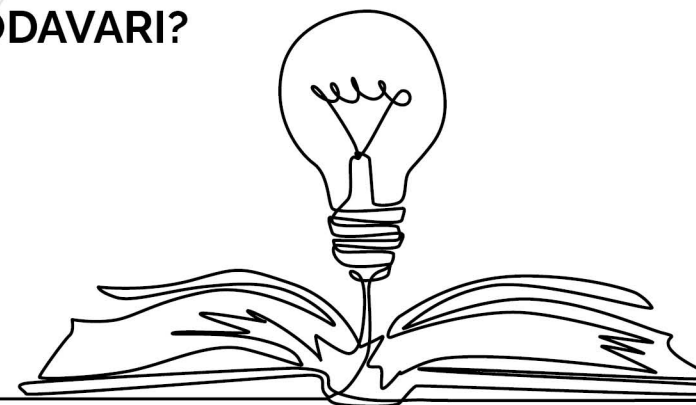

OUR VISION

To nurture a generation of innovative thinkers and compassionate leaders who are deeply rooted in traditional values and cultural heritage, while equipping them with the knowledge, skills, and global perspective necessary to contribute meaningfully to the world.

OUR MISSION

Our mission is to help young students develop higher order thinking skills, leadership abilities and a balanced personality in an environment of shared values of excellence, equality and a deep appreciation for diversity, by using a combination of a holistic Curriculum and innovative educational methods

Why GODAVARI?

- **Our Curriculum**

Our curriculum is aligned with CBSE standards, providing a strong foundation for future academic success. We offer a balanced blend of academic subjects and co-curricular activities, ensuring that students develop both intellectual and social skills. Our experienced teachers are committed to creating a stimulating learning environment that encourages curiosity, innovation, and a lifelong love of learning.

- **Modern Infrastructure**

Our campus is equipped with contemporary facilities, including spacious classrooms, advanced science and computer laboratories, a well-stocked library, an infirmary and dedicated spaces for sports and extracurricular activities.

- **Digital Classrooms**

Embracing technology in education, we offer digital classrooms equipped with interactive smart boards and multimedia learning tools, making lessons engaging and impactful.

- **Safe and Secure Campus**

The safety of our students is our top priority. Our campus is monitored by CCTV cameras, and we have a dedicated security team on-site. The school also adheres to strict child protection policies to ensure a secure environment.

- **Professional Development for Educators**

Our faculty members are not only experienced but also undergo regular training in the latest pedagogical approaches, assessment techniques, and technology integration. We offer in-house certifications and collaborative learning programs as well.

- **Student Support Services**

We provide personalised support through counseling, remedial classes, and a structured mentorship program. Our aim is to ensure the emotional, social, and academic well-being of every student.

- **Community Impact and Social Responsibility Programs**

We go beyond typical community service. Our Community Impact Program encourages students to lead sustainability projects, participate in social entrepreneurship initiatives, and collaborate with local NGOs. This hands-on involvement nurtures a sense of purpose, responsibility, and empathy in our students.

- **STEM Lab/ Robotics Lab**

The STEM Lab at Godavari is more than just a classroom, it is a space where imagination meets innovation, and where the next generation of thinkers and innovators are inspired to shape the future.

ABOUT THE PROMOTERS

His journey is a powerful reminder of how passion, combined with education and service, can make a lasting impact on society.

Mr. Subhash Patil

President of Godavari Multipurpose Education Trust

Mr. Subhash Patil is the President of Godavari Multipurpose Education Trust and holds both a bachelor's and a master's degree in science. With a diverse career spanning education, banking, and finance, he eventually found his true passion in social service and education. Driven by this calling, he co-founded the Godavari Foundation alongside his brother, working to uplift communities in the North Maharashtra region through initiatives in education, healthcare, agriculture, and cooperative development.

Mr. Patil, who serves as the Foundation's founding Vice President, now also leads the Godavari Multipurpose Education Trust as its President. His extensive experience in education has been pivotal in advancing the Trust's mission to make meaningful contributions to society.

Dr. Pramod Borse

Secretary of the Godavari Multipurpose Education Trust

Dr. Pramod Borse, Secretary of the Godavari Multipurpose Education Trust, holds a bachelor's and a master's degree in veterinary sciences. Following his academic accomplishments, he was selected through the state civil services and served in the state government for over 23 years. During his tenure, he held key positions such as Sub Divisional Magistrate, Private Secretary to the Minister of School Education, Irrigation, Agriculture, Revenue, and Officer on Special Duty to the Speaker of the Maharashtra Legislative Council.

After opting for voluntary retirement, Dr. Borse transitioned into the realms of real estate, consultancy, and social service, where he continues to thrive. His journey in social service began as a strategic advisor to the Godavari Multipurpose Education Trust. He later became a member and subsequently, the Secretary of the Trust, assuming a pivotal role in steering its educational and community-focused initiatives. His strategic vision is instrumental in driving the Trust's mission to contribute meaningfully to society.

Dr. Borse's journey shows how diverse experiences and a dedication to service can make a real impact. May his story inspire you to pursue your own path with purpose.

FROM THE PRINCIPAL'S DESK

Dear Parents and Students,

Welcome to Godavari Public School — a doorway to a vibrant world of science, mathematics, arts, sports, literature, and so much more. We are a place of learning centered around children, dedicated to nurturing their dreams and aspirations. As we embark on this exciting journey to establish a new chapter in Nashik, I am delighted to introduce our school as a beacon of excellence, innovation, and values-driven education.

Our vision at Godavari Public School is to provide an environment where students are encouraged to explore, experiment, and excel. We believe that education, along with acquiring knowledge, should focus on cultivating curiosity, character, and confidence. With a robust CBSE curriculum, state-of-the-art facilities, and a dedicated team of highly qualified educators, we are committed to delivering an enriching and well-rounded learning experience for our students. Together, we aim to empower each child to discover their passions and develop the skills necessary for lifelong success.

From academics to sports, arts, and technology, every aspect of our school is designed to inspire creativity, critical thinking, and collaboration. We take pride in our modern STEAM Lab, premier sports academy, and comprehensive student support programs, which together create a dynamic learning environment where students can discover their strengths and pursue their passions.

As we open our doors to a new generation of learners, I invite you to join us in this endeavour to create a community that teaches integrity, empathy, and lifelong learning. Together, we will nurture young minds to become leaders, innovators, and compassionate citizens of tomorrow.

Warm regards,

Mrs. Jeena John

Principal, Godavari Public School

We are excited to open our doors in Nashik, providing a vibrant learning environment where students can explore, grow, and excel. Our dedicated team is committed to fostering curiosity, character, and confidence, empowering each child to thrive academically and personally. Join us as we build a community of lifelong learners, leaders, and compassionate citizens.

State-of-the-Art School Infrastructure

Building Area: Land Area- 8 acre

- **Proposed Extension:** An additional 3400 sq.m is planned on the extension floor, significantly expanding the building's capacity.

- **Total Area:** Once completed, the total building area will reach 7800 sq.m.
- **Ground Area (Lawn):** The property features a lush lawn area of 4800 sq.m, perfect for outdoor events, activities, or leisure.
- **Play Area:** A designated play zone covering 350 sq.m is equipped with EPDM flooring and modern equipment for recreational use.

ACADEMICS

The school offers a well-structured, balanced curriculum that fosters critical thinking and problem-solving skills. Teachers create an engaging classroom environment where students actively apply knowledge, enhancing their creativity and analytical abilities.

An internationally accepted student-teacher ratio ensures personalized attention, with Pre-Primary classes supported by two teachers and one staff member, promoting individualized care and guidance.

Aligned with NEP 2020, our pedagogy emphasizes holistic development, digital literacy, and innovative teaching methods. Our educators inspire a love for learning, preparing students to thrive in the dynamic challenges of the 21st century.

"Empowering Future Leaders through a balanced, Holistic, and Skill-Driven Education for Lifelong Success."

CURRICULUM

EARLY YEARS EDUCATION

Our Foundational Years program is designed to provide a strong foundation for your child's future learning. We focus on:

- **Early Literacy:** Developing essential reading and writing skills through phonics, phonemic awareness, and vocabulary building.
- **Numeracy Skills:** Introducing basic mathematical concepts, number sense, and problem-solving abilities.
- **Exploring the World:** Building curiosity and understanding of the natural and social world.
- **Social-Emotional Learning:** Cultivating empathy, cooperation, and self-awareness.
- **Expressive Arts and Crafts & Music:** Encouraging creativity and self-expression through art, music, and drama.

Through play-based learning and hands-on activities, we create a nurturing environment that sparks curiosity and a lifelong love of learning.

CURRICULUM

PRIMARY YEARS EDUCATION

We understand that the individuality of a developing Child's brain is best stimulated via exploratory and hands-on activities, which assist in the growth of language, cognitive and psychomotor skills. To facilitate exploration, interrogation, and self-discovery, each of our primary classrooms are equipped with learning corners where our trained teachers and facilitators engage with the students to assist in the development of language skills and concept formation. Our Primary years curriculum consists of:

- **Core Subjects:** English, Mathematics, Science, Social Studies
- **Language Skills:** English, Hindi, Marathi
- **Creative Arts:** Music, Art, Dance
- **Physical Education:** Sports and Yoga

- **Life Skills:** Values Education, Personality & Skill Development

Our Primary years (Grades 1-5) curriculum concentrates on:

- Developing basic oral communication
- Enhancing speaking and listening skills
- Reading and comprehending simple texts
- Encouraging writing skills

MIDDLE-SCHOOL EDUCATION

Our middle school education program focuses on academic excellence, character and leadership development, and preparing students for higher education. Key features include:

- English ● Hindi ● Marathi ● Mathematics
- Science ● Social Science ● Computer Science

Co-curricular Activities: A diverse range of activities to nurture interests and talents, such as:

- Sports ● Music ● Art ● Drama ● Debating ● Robotics / STEM

- **Experiential Learning:** Hands-on learning experiences, including field trips, projects, and internships.
- **Mentorship and Guidance:** Personalised support and guidance from experienced teachers and counselors.
- **Leadership Development :** At Godavari, we believe in raising the leaders of tomorrow. We empower students to take Initiative, Communicate Effectively, Problem-Solve Collaboratively, Build Strong Relationships and Embrace Diversity.

We strive to inspire our students to become critical thinkers, problem-solvers, and responsible global citizens.

HIGH SCHOOL EDUCATION (Proposed)

As students enter High School, we focus on preparing them for future success. Our comprehensive career counseling program helps students explore various career paths and make informed decisions about their future.

- **Career Counseling and Mentorship**
- **Project-Based Learning**
- **Extracurricular Excellence**

STUDENT CENTRIC APPROACH

At Godavari, we believe in putting students at the heart of the learning process. Our student-centric approach empowers students to take ownership of their learning journey. We provide a supportive and stimulating environment where students are encouraged to think Critically, Communicate effectively, Collaborate effectively and develop Self-Discipline. Our teachers act as facilitators, guiding students towards independent learning and fostering a love of learning.

PROJECT-BASED LEARNING

Project-based learning is an integral part of our curriculum. Through engaging and challenging projects, students apply their knowledge and skills to real-world problems. By immersing students in real-world challenges, we prepare them to become innovative and adaptable learners.

TECHNOLOGY-CENTRIC APPROACH

We embrace technology to enhance the learning experience and prepare our students for the digital age. Our technology-centric approach promotes Digital Literacy, familiarity to Online Learning platforms and Interactive Learning Tools and Remote Learning Capabilities.

ATHLETICS AND SPORTS

At Godavari, we recognize the importance of physical education and the impact it can have on the overall development of our students. To nurture their athletic abilities and promote an active lifestyle, we have established modern indoor and outdoor sports facilities. Our facilities are equipped with a wide range of amenities and experienced coaches and sports consultants who are passionate about guiding and supporting our students in their athletic pursuits.

We will also carve out a progression path for the children of the school.

- **Outdoor Sports :** Basketball, Cricket, Football, Hockey, Volleyball, Lawn Tennis
- **Indoor Sports:** Martial Arts, Table Tennis, Aerobics
- **Track Sports:** Athletics and other field sports.

- **Athletics Track:**

Our all-weather track is perfect for excelling in track and field events. Encircled by a meticulously maintained grass field, it offers abundant space for a myriad of sporting activities.

- **Football Field:**

Our large football field is equipped with goal posts, artificial turf and well maintained to ensure optimal playing conditions. It serves as the perfect ground for football matches, practice drills, and physical education classes.

- **Self Defense:**

Prioritising the safety of our students, our curriculum includes essential self-defense

disciplines such as Taekwondo and Martial Arts. Every child undergoes training to grasp the fundamentals of self-defense, empowering them with effective mechanisms to protect themselves when necessary.

- **Coaches and Support Staff:**

Our team of experienced coaches and support staff play a vital role in guiding and inspiring students towards athletic excellence. They provide specialised training, organize regular practice sessions, and supervise matches. Our coaching staff also collaborates with external sports clubs and associations to offer additional training opportunities for talented athletes.

EXTRA CURRICULAR ACTIVITIES

- **Club Activities**

At Godavari we lay due emphasis on different activities through active participation in various social, athletic and artistic clubs and societies.

We guide students to discover and create their own understanding. Besides academics, co-scholastic activities form an integral part of the school curriculum. This aspect includes a wide range of co-curricular activities to enhance their literary, scientific, physical, interpersonal, creative, communication, collaborative, problem-solving and technical skills.

- **Literary And Creative Skills**

The students actively participate in literary and creative skills at school. This skill includes those

activities where students get a chance to learn and exhibit their potential when it comes to Debate, Declamation, Creative Writing, Recitation, Poster Making, Slogan Writing, Theatre etc. After acquiring the skill the student is ready to participate in various inter and intra school competitions.

- **Scientific Skills**

At Godavari, students are encouraged to actively engage in scientific pursuits, taking the initiative to plan, organise, and evaluate a variety of science-focused events. This commitment to exploration and innovation is reflected in our diverse offerings, which include the Science Club, Science Projects, Math Club, Science Quiz, Science/STEM Exhibition, and Olympiads.

INFRASTRUCTURE & FACILITIES

World-class infrastructure which includes classrooms for pre-primary children with dedicated play areas attached. The size of each classroom is spacious to allow children for free movement. Each classroom has its own storage spaces and lockers for children to keep and store their belongings. Each Classroom is equipped with an Interactive Digital Board.

SAFETY & SECURITY

We are committed to creating a safe and nurturing environment for every student. We stand strongly against bullying and adhere to the Protection of Children from Sexual Offences (POCSO) Act. Our school's ethos revolves around fostering an atmosphere of respect, empathy, and inclusivity.

Emphasising a zero-tolerance policy towards bullying, we actively implement anti-bullying measures, ensuring the emotional and physical well-being of our students. Additionally, all our staff undergo thorough police verification, underscoring our dedication to the safety and security of our school community.

The school has a well planned infirmary with beds and separate enclosures for boys and girls which will have provisions for any emergency and medical first aid. The infirmary has an in-house nurse on the school payroll and qualified doctors on call to attend to any case requiring medical attention.

Our student's safety is our top priority, and we are committed to providing an enriching educational experience founded on trust and security. Besides, we have:

- CCTV cameras on campus for safety monitoring from a control room.
- A reliable security system with professional security personnel.
- Thorough pre-recruitment background verification of all teaching/non-teaching and support staff.
- A completely fenced campus and 24x7 guards on duty.
- School building compliance with all the norms and standards prescribed under the National Building Code.
- Proper Fire Safety measures and regular drill.

TRANSPORT

We provide secure and comfortable transport from home to school and back. Each vehicle features advanced security devices connected to a tablet that tracks student boarding/de-boarding and the individual dropping off or picking them up. Instant SMS updates are sent to parents and the school, with daily reports available at the admin office. Real-time GPS tracking ensures location monitoring, and a designated adult chaperone accompanies students for added safety.

Our Education Partner

At Godavari, we are proud to partner with LIFE EDUCARE, India's leading school advisory and management company, renowned for its comprehensive support to schools at every stage of their journey. LIFE EDUCARE brings an unmatched level of expertise to our institution, from enhancing the quality of our curriculum and faculty to refining pedagogical approaches that align with global standards.

With a team of K-12 education specialists and extensive experience across India, the UAE, Kuwait, Nepal, and Qatar, LIFE EDUCARE offers us valuable insights that support our vision and growth. Their end-to-end solutions cover everything from strategic planning and project management to property transactions, allowing us to focus on delivering a premier educational experience to our students.

LIFE EDUCARE's guidance and commitment have strengthened our foundation, and with their support, we're prepared to continually elevate our standards and meet the diverse needs of our school community. We look forward to reaching new milestones together as they guide us on our path to success.
